

COLLEGE MATHEMATICS

CALL FOR PAPERS

ABOUT THE JOURNAL

eISSN: Pending
Quarterly | Open Access

College Mathematics is a peer-reviewed journal published by the American Institute of Advanced Studies (AIAS). It welcomes original, rigorous, and clearly written work across pure and applied mathematics, the mathematical sciences, and interdisciplinary research with substantial mathematical content.

WE INVITE SUBMISSIONS FEATURING

- Original theorems, proofs, methods, and discoveries
- New or alternative proofs and problem solutions
- Expository articles offering fresh mathematical insight
- Open problems, partial progress, and research questions
- Responsible AI-assisted mathematical research with transparent methodology

Submissions are encouraged from professional mathematicians, university faculty, graduate and undergraduate students, and exceptional high school researchers. Every manuscript is subject to editorial screening and peer review.

SUBMISSIONS NOW OPEN

Inaugural issue: December 2026

No submission fee or APC is currently charged.
